What are your proposed dates for participation in YES? From \_\_\_\_\_ to \_\_\_\_\_

Please provide two or three dates and times, in order of preference, that you and your entire team are available for a YES service-learning workshop at your location.

*We have found two 90-min sessions are most productive, but this is negotiable.*

Dates: \_\_\_\_\_ Times: \_\_\_\_\_

Dates: \_\_\_\_\_ Times: \_\_\_\_\_

Dates: \_\_\_\_\_ Times: \_\_\_\_\_

### Do you have the following resources that we can use?

\_\_\_ Whiteboard \_\_\_ Markers \_\_\_ Chalkboard \_\_\_ Flip chart and paper

### Please check and describe those tasks your team/group has already completed:

Community to serve / recipients of service

Description

Topics that require research

Description:

Need(s) to be addressed

Description:

Tasks needed to complete project

Description:

Selection of a project idea

Description:

Reflection activities

Description:

## Youth: Ethics in Service (YES)

### Applicant Checklist

Please check off the following boxes to indicate your willingness to meet the YES program expectations.

- Participation in a YES service-learning workshop (at no cost if state funded) held at your location.
- After planning workshop, your team will complete a service-learning project plan and budget and submit to YES within one month.
- Intentional linkage of service-learning project and academic or club goals.
- Explicit focus of student cooperation and character development during project.
- Active participation by students in project planning, implementation and reflection.
- Monthly tracking and reporting of student time on project planning, work and reflection.
- Facilitation of regular ethical reflection with students using *Service-Learning Planning and Reflection: A Step-by-Step Guide* provided by YES.
- Hosting (at no cost to your team) a site visit by YES staff during project work.
- Within two-weeks of project end, completion and submission of project summary that includes a record of participant hours, brief project description, project expenditures and responses to student evaluation questions.
