R.A.I.D. - Roughers Alliance for Intelligent Decisions

A Character Education Partnership (CEP) Promising Practice

Muskogee High School
Muskogee, Oklahoma

Focus on Principles 4, 5, 7 and 9 of CEP's 11 Principles to encourage caring school community, moral action through community service, intrinsic motivation of student service and student leadership.

R.A.I.D. (Roughers Alliance for Intelligent Decisions) was formed in the 2008-2009 school year as an Alliance of all of the student clubs and organizations at Muskogee High School. In past years, organizations have done many good things but they operated independent of one another. The Alliance allows all of these student groups to network with one another in order to come together for joint school-based and community service projects, thereby increasing effectiveness and energy among

students. The Alliance began the 2009-2010 school year by bringing leaders of 26 different student organizations together for a two-day-one-night Leadership Retreat. The goals of the Retreat were to: a. Build relationships; b. Build individual vision and focus; c. Build corporate vision and focus for the school; d. Enhance Student Voice and Advocacy Groups; e. Network clubs and organizations for joint projects to build community and increase the number of students involved in school and community service, thus increasing the character virtue of citizenship.
